

GET STARTED

With ChatGPT

The following are the first steps to get you started on learning Generative AI, ChatGPT, and prompt engineering. Replace content in brackets [] with your own content.

Sign up at <https://chat.openai.com/> to get a ChatGPT account

Create and submit your first prompt using ChatGPT

Based on the response, ask a follow up question. Go deeper.

Try this prompt: "Generate a standard operating procedures for [process]."

Try this prompt: "Suggest 10 compelling content ideas related to [topic/keyword] that will engage our target audience and promote brand awareness."

Try this prompt: "Create a keyword strategy and SEO content plan from [keyword]"

Notes :
